

ST. LOUIS CATHOLIC CHURCH, WACO

COMMUNION STEPS & SUGGESTIONS

Remaining faithful & safe

ONE PEW AT TIME

Dismissed by Ushers

Our ushers will dismiss the pews one at a time, alternating between sides, all the while maintaining 6 feet social distancing. As one pew finishes another will be allowed to enter the aisle. There will be three communion stations, the main aisle and the two transepts.

FAITHFUL RECEPTION

On the Hand or Tongue

Our Bishop encourages the faithful of the diocese to receive on the hand by placing it vertically on the palm. This is done for the safety of all. You may receive on the tongue.

FACE MASK CONSIDERATIONS

Communion & Masks

If you wear a face mask, we ask you to pull down the mask when you're two or three people away from receiving & then immediately recover the mouth & nose. You may also choose to say Amen in your heart rather than out loud.
